Kalera in brief:

The Kalera Group is a vertical farming group headquartered in Orlando, Florida. Kalera uses technology to ensure that more people around the world have access to the freshest, most nutritious, and cleanest products possible. It has spent several years optimizing plant nutrient formulas and developing an advanced automation and data acquisition system with Internet of Things, cloud, big data analytics and artificial intelligence. Kalera currently operates farms in the US (Orlando, Florida, Atlanta, Georgia and Houston, Texas), Kuwait and Germany. More information is available at www.kalera.com.
